Principal's Report

We have certainly had a few busy weeks at school. With students enjoying the Small Schools Gala Day at CSU and our visit to Capertee PS for our One Schools Network Day. The Cirkus Surreal performance was a wonderful opportunity to visit Kelso High Campus and view the amazing talent of the performers.

Swimming lessons this week have provided a wonderful opportunity for our students to develop their skills in an area that really is a life skill.

As I reflect on my first year as Principal at Sofala Public School and prepare our final newsletter I would like to extend my thanks and gratitude to our staff who give, so much of their time behind the scenes, in planning and preparing the many learning experiences and opportunities to support and engage our students.

To the P&C, we truly are fortunate to have a small but driven group of members who work together

to support our school and the needs of all our students. I hope you are all able to give some time in 2020 to attend meetings and contribute a little or a lot.

To our students it has been wonderful watching your growth and development throughout the year and getting to know each of you. I look forward to continuing our learning journey in 2020.

We wish Taylor all the best as she completes her primary schooling and enters high school in 2020. I am very excited with our Kindergarten of 2020 starting their journey into school with us next year and all the excitement that goes with beginning school and may be a tear or two as they grow up.

Have a wonderful summer holiday and enjoy making memories with family and friends over the festive season.

Kind regards
Debbie Barratt
