Principal's Report

With the end of term fast approaching we have been reflecting on the highlights and experiences our students have had. I have enjoyed the opportunity of being at Sofala PS this term, working with the staff, students and parent/carer community. The growth and development of our students has been wonderful to watch and the challenges of new learning can, at times, be daunting but continuing to apply ourselves and engaging in challenges is a life long skill we all benefit from developing.

The Stage Three Leadership Day provided a rich experience for our students. From taking risks in challenges and meeting new people from other Small Schools allows for new connections before high school. The BSS Gala Day next Thursday will be a great opportunity to meet and mingle whilst enjoying a range of sporting activities.

I have attached our Positive Behaviour for school expectations that we have updated as a whole school and used our tag pbl@sofala. Ask your child to share their knowledge and understanding on this topic. We have had many great discussions around these expectations and how they can set us up for success in life.

*I wish everyone a wonderful and safe school holiday and Easter weekend with family and friends. Spend time together and create some wonderful memories. We will see our students on **Tuesday 30th April** when school resumes.*

I look forward to continuing our 2019 learning journey and please feel free to ring or pop in and see me if you would like a chat or have an idea.

Kind regards
Debbie Barratt
