Term3 Week6

Wednesday 28th August, 2019

Principal's Report

Our Student Assembly provided a wonderful opportunity to come together as a community and acknowledge the successes and achievements of our students. I thank those who joined us for this occasion and the lovely afternoon tea that followed.

We enjoyed the Book Week Parade and associated activities at Wattle Flat Public School last Friday. It was lovely to see the myriad of costume creations and students enjoying the reading experience.

Today, we enjoyed our One Schools Network Day at Capertee Public School. Students came together to look at health services and were treated to a special big band performance by the Northern Beaches Secondary College - Cromer Campus.

Next week sees the beginning of our Golden Start to School Transition sessions for our 2020

Kindergarten students. This is a very exciting time and marks a milestone in the life of a child. We look forward to opening our school over the upcoming sessions to make our school learning environment more familiar and the transition to school process a little easier and less daunting for all involved. Please contact the school for an enrolment pack or for further information.

Next Thursday, we have volunteers from the local NSW Rural Fire Service joining us to discuss fire safety in our rural setting. As the weather begins to warm up this will be a timely presentation for us all to be a little bit more prepared.

Stage 3 Camp permission notes and money need to be finalised by the end of this term. Weekly payments may be a better alternative over a larger payment.

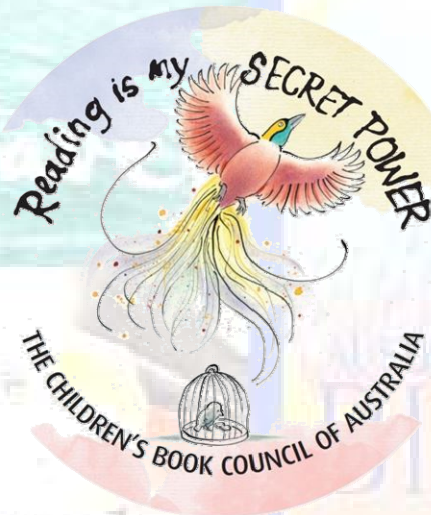

Kind regards
Debbie Barratt
